BREEDING AGREEMENT CONTRACT -

This Breeding Contract sets out your rights and obligations in breeding to Shines Like Metallic. This Contract is between you (the Owner) and Beljay Performance Horses (the Stallion Owner).

Your obligations

1. You agree that you have read and understood the terms and conditions of this Breeding Contract and agree to comply with the terms and conditions for the duration of this Breeding Contract.
2. You must provide all relevant and/or requested information as required. This includes the mare's registration papers at the time of booking and any other information, unless otherwise agreed with the stallion owner.
3. You agree to pay the total fees payable at the times prescribed and agree that the booking fee is non-refundable.

Your mare

4. Your mare must be healthy, sound, halter broken, unshod, well-mannered and in breeding condition.
5. Two mares per form, please complete and return to - shineslikemetallic@gmail.com

Collection and use of Semen

6. You agree that all semen collected remains the property of Beljay Performance Horses until full payment has been received.
7. Semen can be chilled or frozen. You must provide at least:

(a) 48 hours' notice for chilled semen; or

(b) 14 day's notice for frozen semen.

8. Semen supplied under this contract may only be used to breed the mare identified in this contract and one single foal from this breeding.
9. Breeding by embryo transfer using the semen, which results in more than one foal, will incur a breeding fee for each additional foal.
10. The mare owner is responsible for the costs of shipment of frozen semen or chilled semen if applicable.
11. The Stallion Owner is not responsible for lost, damaged or delayed shipments.
12. You must advise the Stallion Owner, in writing, of the result of a 14 and 42-day pregnancy scan. Failure to provide pregnancy status updates may affect eligibility for any live foal guarantee or return breeding privileges.
13. Breeding Certificates will not be issued unless the mare is registered and the service fee is paid in full, unless another agreement is made between the Owner and the Stallion Owner. All breeding certificates will be sent at the end of the breeding season.

Payment terms

14. You agree that you will pay the Service Fee payable under this Breeding Contract, as follows:

(a) Service fee $3,300 (i)$550 non-refundable booking fee upon signing of this contract; and (ii)$2,750 payable on a 14-day pregnancy. Please note that frozen semen is to be paid for before being released.

(b) $1650 for a second mare booked (i)$550 non-refundable booking fee upon signing of this contract; and (ii)$1,100 payable on a 14-day pregnancy test.

15. You agree that any transportation costs, veterinary costs and associated costs are not included in the Service Fee.

Live Foal Guarantee (LFG)

16. A free return (Live Foal Guarantee) is given with return privilege the following season, subject to conditions.
17. You will be entitled to a return privilege if the foal does not stand up and nurse for 48 hours, and suitable evidence, if requested, is provided.
18. You must inform the Stallion Owner of the death within one (1) week and provide evidence from a registered veterinarian, if requested, confirming the death of the foal and the health of the mare for re-breeding.
19. If the mare is to be returned but you fail to arrange for her re-breeding in the following season, the service fee will be forfeited, and the guarantee will lapse.
20. No guarantee on the return privilege service unless there is prior approval from the stallion owner. The mare owner must pay all costs aside from the Breeding Fee.

Beljay Performance Horses

21. If you choose to breed your mare at Beljay Performance Horses, by signing this Breeding Contract, you also agree to Beljay Performance Horses' General Trading Terms.

Liability

22. You understand and agree that the Stallion Owner will not be liable for any loss, damage or injury caused by, connected to or arising from any activity under this Breeding Contract.

General

23. In the event of a misunderstanding or a dispute under this Breeding Contract, both parties must attempt to resolve the dispute between themselves. Where there is no resolution, the parties are then entitled to take any relevant action as allowed by law to resolve the misunderstanding or dispute.
24. The law of Queensland applies to this Breeding Contract
25. This Breeding Contract may be executed by electronic signature which will be considered an original signature and will have the same force and effect as an original signature. An "electronic signature" includes electronically scanned and transmitted versions of an original signature
